

We never give up on giving back.

For so many of us, helping others is just a part of who we are. And we have a chance to help everyone right now by getting a COVID-19 vaccine as soon as we can.

Both vaccinated and unvaccinated people should wear a well-fitting mask inside public places when the COVID risk to your community is high. Learn more at [cdc.gov/coronavirus](https://www.cdc.gov/coronavirus).

You can also protect yourself by:

- Keeping at least 6 feet away from people who don't live with you.
- Avoiding crowds and poorly ventilated spaces.
- Washing your hands often with soap and water or using hand sanitizer.

That's how our helping hands will be together face-to-face again.

You have three ways to find vaccines near you:

- **Go to [vaccines.gov](https://www.vaccines.gov)**
- **Text your ZIP code to 438829**
- **Call 1-800-232-0233**
